Rye Playland has begun its recruiting effort for the 2009 season! The park hires 700 seasonal employees for both entry and management. As part of the hiring process, training is made available in the following areas: hospitality, customer service, supervisory and cashiering. Additionally, Rye Playland highly encourages the hiring of 16 and 17 year olds seeking employment in addition to all other age groups! There are two job fairs scheduled for 3/7 and 4/4 but I strongly encourage those interested to attend the one this Saturday.
