

## The Harbor Tour

Stamford Sailing Foundation and Landfall Navigation is hosting The Harbor Tour for three evenings for Waterside residents.

The participants will experience a few hours of **"Sailing on the Sound"** aboard a 41 Ft. Gulfstar Center Cockpit Sloop at no cost.

Each evening cruise is limited to 6 Passengers - Children or Adults per U. S. Coast Guard Regulations. If Children are coming, we need to know their approximate body weights so that there are proper life jackets for them as required to be worn under both Connecticut & Federal Law until age 14. Lifer jackets will be available for anyone wanting one.

First of the three cruises is June 17th, July 14th, August 11th on a first come first serve basis. Boarding will either be at the Sailing Foundation Docks in SouthfieldPark, or the Avalon Docks. Boarding time will be 6:30 PM - weather permitting and we should return to the dock around 9:00 P.M.
